SMALL BUSINESS IMPACT STATEMENT

EFFECTIVE DATE OF REGULATION: Upon filing with the Nevada Secretary of State

Background:

Existing law (NRS 289.510) requires the Commission on Peace Officer Standards and Training (POST) to adopt regulations establishing minimum standards for the certification, decertification, recruitment, selection and training of peace officers.

The proposed language changes to NAC 289.290 will update this regulation to allow for revocation/suspension for certain violations of conduct. The current regulations contained in NAC 289.290 are outdated and not consistent with national trends.

Description of Solicitation:

Public comment will be solicited at the workshop that is scheduled for July 14, 2026, starting at 10:00 a.m. at the POST Administrative Building/Classroom #2, 5587 Wa Pai Shone Ave., Carson City, NV 89701, where public comment will be accepted during the workshop and regularly scheduled meeting held immediately after the workshop. The notice and the regulation to be amended, pursuant to NRS 241.020(4), will be provided via electronic mean to all law enforcement agencies on the POST Listserve email list, electronically posted on the POST website at post.nv.us, on the state of Nevada website at notice.nv.gov and the legislative website at leg.state.nv.us. The notice will be physically posted at the Commission on Peace Officer Standards and Training Administration Office at 5587 Wa Pai Shone Ave., Carson City, NV and the Nevada State Library in Carson City. Copies of the notice and regulations to be amended will be available upon request by contacting the POST Standards Division at (775) 687-3335.

Does the proposed regulation impose a direct and significant economic burden upon a small business or directly restrict the formation, operation or expansion of a small business? (NRS 233B.0608(1))

No, the proposed regulation will not impose a direct and/or significant economic burden upon a small business or directly restrict the formation, operation or expansion of a small business.

How was that conclusion reached?

POST relies on the expert knowledge of Agency staff and uses informed, reasonable judgement in determining that there would not be an impact to small business due to the nature of the regulation change for NAC 289.

The proposed regulation strictly addresses peace officer certification and the reasons for revocation and suspension of those certifications; therefore it strictly impacts Nevada peace officers and no small business will be affected.

I, Michael Sherlock, Executive Director, certify that, to the best of my knowledge or belief, a concerted effort was made to determine the impact of the proposed regulation on small business, and that the information contained in the statement above is accurate. (NRS 233B.0608(3))
