The following information is provided pursuant to the requirements of NRS 233B.0603:

1. Need and purpose of the proposed permanent regulations or amendments

LCB File No. R081-26, establishes requirements related to taxation; revises procedures governing proceedings before the Nevada Tax Commission; requires the electronic filing of certain returns or other documents unless otherwise waived; revises provisions governing communications with the Executive Director of the Department of Taxation; expands the methods by which certain payments are required to be made to the Department; revises provisions governing the issuance of subpoenas by a hearing officer; revises requirements for the issuance and delivery of an advisory opinion by the Executive Director; revises provisions governing the issuance of permits to collect sales and use taxes; imposes certain duties on persons who are required to file certain returns, statements, reports or other documents for certain taxes, fees, assessments, contributions or premiums; revises standards to determine whether the Department is required to pay interest to a taxpayer who overpays certain taxes; revises the procedures by which a taxpayer may dispute a determination, decision or action of the Department and petition the Department for a redetermination; revises, updates and eliminates various obsolete provisions; repeals various provisions which are obsolete or redundant or relate to tax abatements which are no longer available; and provides other matters properly relating thereto.

This proposed permanent regulation is intended to modernize and streamline the administration of Nevada's tax system by updating procedures, improving efficiency, and removing outdated provisions. It establishes clearer rules for proceedings before the Nevada Tax Commission, expands the use of electronic filing and payment methods, and enhances communication protocols with the Department of Taxation. The proposed permanent regulation also clarifies requirements for permits, filings, and advisory opinions, strengthens procedural tools such as subpoenas and determination dispute processes, and refines standards related to taxpayer refunds and interest on overpayments. Additionally, it eliminates obsolete, redundant, or no-longer-applicable provisions, including those related to expired tax abatements, to ensure the regulatory framework is current, consistent, and easier for taxpayers and the Department to navigate.

2. How to obtain the approved or revised text of regulations prepared by LCB

You may obtain a copy of the proposed permanent regulation by writing to the Nevada Department of Taxation, 3850 Arrowhead Drive, Carson City, Nevada 89706; or by calling the office at (775) 684-2041. The proposed permanent regulation is also available for review and download on the Nevada Department of Taxation's website at <https://tax.nv.gov/> or on the Nevada Legislature's website at <https://www.leg.state.nv.us/>.

3. Methods used in determining the impact on a small business

The agency used informed, reasonable judgment in determining that there will not be an impact on small businesses. The Department prepared a small business impact questionnaire that was forwarded to the Department's Interested Parties List. The Department received two responses from interested parties. Of the two responses received, one emailed response indicated that the proposed permanent regulation would have a direct and significant economic burden upon a small business unless the Director administers the changes fairly, justly and with common sense. The respondent acknowledged that a change in Section 22 of the proposed permanent regulation will change the current process. The respondent listed 0 employees currently employed by their small business. The other email response provided support for the proposed permanent regulation and acknowledged there is no negative impact.

The Department will continue to accept input on the impact of the proposed permanent regulation on small businesses through the regulatory process.

The Department held a workshop on April 16, 2026, for members of the public to state their concerns and submit correspondence regarding the proposed permanent regulation. Public comment was received from the Nevada Taxpayers Association during the workshop, and the Association also submitted written correspondence outlining concerns with the proposed permanent regulation language. In response, the Department provided written feedback, including revisions to the proposed permanent regulation where changes were feasible and explanations where revisions could not be made.

4. Estimated economic effect of the proposed permanent regulation on businesses and the public

a. Adverse and beneficial effects

The proposed permanent regulation does not present any reasonable, foreseeable or anticipated adverse or beneficial economic effects on small businesses or the public.

b. Immediate and Long-Term effects

The proposed permanent regulation does not present any reasonable, foreseeable or anticipated immediate or long-term economic effects on small businesses or the public.

5. Cost for enforcement of the proposed permanent regulations

6. Overlap or duplication of other state or local governmental agencies

The proposed permanent regulation does not overlap or duplicate any regulation of other state or local governmental entities.

7. Regulation required by federal law

Not Applicable.

8. More stringent than federal regulations

The Department is not aware of any similar federal regulations of the same activity in which the state regulations are more stringent.

9. New or increases in existing fees

The proposed permanent regulation does not include new fees or increase an existing fee.

Persons wishing to comment on the proposed action of the Nevada Tax Commission may appear at the above scheduled public hearing or may address their comments, data, views, or arguments, in written form, to the Nevada Tax Commission, 3850 Arrowhead Drive, Carson City, Nevada 89706. Legislative Counsel's Digest:

Existing law requires the Nevada Tax Commission to adopt regulations for carrying on the business of the Nevada Tax Commission and the Department of Taxation. (NRS 360.090)

Section 2 of this regulation establishes the method the Commission and the Department will use to calculate any period prescribed or allowed for an action or filing in an administrative proceeding of the Commission or Department for the purpose of determining whether the action or filing occurs by the prescribed deadline.

Existing regulations authorize the hearing officer in certain administrative proceedings conducted by the Department to request a prehearing statement to explain the issues for consideration by the hearing officer and set forth the requirements for such a prehearing statement. (NAC 360.706) **Section 3** of this regulation applies the procedures for prehearing statements to all administrative proceedings of the Department and Commission.

Section 6 of this regulation applies the provisions of **sections 2 and 3** to administrative proceedings of the Commission or Department in the same manner as other regulations governing such proceedings.

Existing regulations establish certain requirements for communications with the Executive Director of the Department. (NAC 360.045) **Section 7** of this regulation eliminates certain provisions governing informal communications and other communications to or from the Department or Commission. **Section 7** also sets forth when pleadings filed by mail, through the Department's online portal or by electronic mail are deemed to be officially received by the Department. **Section 46** of this regulation eliminates a requirement to include in certain appeals to the Commission information that **section 7** no longer requires to be included in communications to the Commission.

Section 9 of this regulation eliminates existing requirements for: (1) a hearing calendar to be maintained by the Executive Director; (2) current assignments for hearings to be made from the calendar; and (3) a current copy of the hearing calendar to be posted at all offices of the Department. (NAC 360.055) Instead, **section 9**: (1) provides that notices of the meetings of the Commission will be given to the public by posting a notice and an agenda in accordance with the Open Meeting Law; and (2) specifies the locations at which meeting notices and agendas will be posted in accordance with the Open Meeting Law, including, without limitation, on the Internet website of the Department and at the Carson City, Reno and Las Vegas offices of the Department at least 3 business days before the meeting.

Existing regulations set forth certain requirements relating to transcripts of any hearings held before the Commission or a hearing officer. (NAC 360.058) **Section 11** of this regulation: (1) revises those requirements, including, without limitation, specifying the party responsible for furnishing a court reporter and bearing associated costs; and (2) requires a court reporter who transcribes a hearing held before the Commission or a hearing officer to be certified pursuant to provisions of existing law governing certified court reporters.

Existing regulations: (1) require a person appearing in a proceeding to conform to the recognized standards of ethical and courteous conduct; and (2) prohibit smoking during all meetings of the Commission and hearings before a hearing officer. (NAC 360.060) **Section 12** of this regulation: (1) requires a person appearing in a proceeding to conform to the recognized standards of ethical and courteous conduct, as determined by the hearing officer or Commission; (2) requires all parties, their counsel and all spectators to conduct themselves in a respectful manner during the hearing; (3) authorizes the hearing officer or Commission to take any action it determines is necessary to maintain order during a hearing; and (4) eliminates the prohibition of smoking during all meetings of the Commission and hearings before a hearing officer, a provision made redundant by the Nevada Clean Indoor Air Act. (NRS 202.2483)

Existing regulations provide that hearings will be held at the offices of the Department in Carson City, Nevada, or at such other place in the State as may be designated in the notice of hearing. (NAC 360.095) **Section 13** of this regulation eliminates the reference to Carson City and instead provides that hearings will be held at the offices of the Department or at such other place in the State as may be designated in the notice of hearing.

Existing law authorizes the Department to issue subpoenas for witnesses to appear and testify on any subject material to its responsibilities or for the production of books and papers. (NRS 360.240) **Section 14** of this regulation revises the requirements to obtain a subpoena issued by a hearing officer, including requirements for an application for a subpoena and the service of a subpoena.

Existing law requires certain state agencies to provide by regulation for the filing and prompt disposition of petitions for advisory opinions as to the applicability of any statutory provision, agency regulation or decision of the agency. (NRS 233B.120) Existing regulations require an advisory opinion to be: (1) issued by the Executive Director within 45 days after the filing of the petition therefor unless the Executive Director in writing orders an extension of time up to a maximum of 60 days after filing; and (2) delivered to the petitioner in person or by certified mail. (NAC 360.200) **Section 23** of this regulation: (1) extends the time for the Executive Director to issue an advisory opinion to not later than 60 days after the date on which the Department sends the petitioner a letter acknowledging receipt of the petition or the petitioner submits any additional information requested by the Executive Director; (2) authorizes an extension of time for the issuance of an advisory opinion to not more than an additional 60 days; (3) authorizes the delivery of an advisory opinion to the petitioner by electronic means if the petitioner has agreed in writing to accept delivery of the advisory opinion by electronic means; (4) authorizes the Executive Director to refuse to issue an advisory opinion under certain circumstances; (5) establishes certain limitations on the applicability of an advisory opinion; (6) provides that advisory opinions are confidential; and (7) provides that advisory opinions are not considered contested cases under the Nevada Administrative Procedure Act.

Existing law requires a person conducting business in this State as a seller of tangible personal property to register with, or obtain a permit from, the Department of Taxation to collect sales and use tax in this State. (NRS 360.5971) Senate Bill No. 441 of the 2021 Session of the Nevada Legislature consolidated into one provision multiple provisions of law governing such registrations and permits. (Chapter 342, Statutes of Nevada 2021, at page 2007) **Section 26** of this regulation updates a reference to those provisions of law in an existing regulation that requires the application of an unemancipated minor for a permit from the Department to include a statement from the parent or legal guardian of the minor acknowledging the responsibility of the parent or legal guardian to report and remit sales and use taxes to the Department if the minor fails to do so.

Existing law requires the Nevada Tax Commission to adopt regulations providing for the electronic submission of returns to the Department and the payment of taxes, fees, interest and penalties to the Department through the use of credit cards, debit cards and electronic transfers of money. (NRS 360.092) Existing regulations establish the procedures and requirements for the electronic submission of a tax return to the Department and the electronic transfer of money for the payment of taxes, fees, interest and penalties to the Department. (NRS 360.550-360.598) **Section 4** of this regulation: (1) requires a taxpayer, tax preparer or other tax professional to submit any return, payment, request for a waiver, application for a registration, license or permit or claim for a refund or other document relating to taxes administered by the Department by electronic means, to the extent that the Department has an online portal that accepts electronic submissions; (2) authorizes a taxpayer, tax preparer or other tax professional to request a waiver of the requirement to electronically submit such an item or document upon establishing certain facts to the satisfaction of the Department; and (3) authorizes a taxpayer, tax preparer or other tax professional to submit such an item or document on paper if necessary due to a technical failure of the Department's online portal. **Sections 31 and 37** of this regulation make the provisions of existing regulations governing the electronic submission of tax returns and the electronic transfer of money to the Department apply to the tax returns and documents required by **section 4** to be filed electronically with the Department. **Section 8** of this regulation: (1) requires, with certain exceptions, fees and remittances to the Department to be made by

electronic funds transfers, credit cards and debit cards; and (2) provides that the Department may accept payment by check, money order or cashier's check if the Department gives a waiver or under certain other circumstances. (NAC 360.050) **Sections 32-36 and 38-40** of this regulation revise terminology related to the use of the Department's online portal and remove references to a web address which is no longer in use. **Sections 41 and 42** of this regulation add credit cards and debit cards as a method by which an electronic transfer of money may be made to pay taxes, fees, interest and penalties to the Department, under certain circumstances and with certain exceptions. (NAC 360.594, 360.596)

Existing regulations impose certain duties on a person who is required to file a return pursuant to provisions of law governing sales and use taxes and who fails to do so within the time prescribed by specific statute, regulation or rule, or who files an incorrect, false or fraudulent return. (NAC 360.435) **Section 27** of this regulation imposes the same duties on a person who is required to file a return, statement, report or other document for other taxes, fees, assessments, contributions or premiums required to be collected by the Department.

Existing law requires interest to be paid to a taxpayer who receives a refund of an overpayment of certain taxes unless the Department determines that the overpayment was made intentionally or by reason of carelessness. (NRS 360.2935, 360.2937, 363A.170, 363B.160, 363C.620, 368A.270, 372.665, 372A.320, 372B.200, 374.670) Existing regulations establish the standards to be used by the Department in determining whether an overpayment of such taxes was made intentionally or by reason of carelessness. (NAC 360.485) **Section 30** of this regulation revises the standards to determine whether an overpayment was made by reason of carelessness. Specifically, **section 30** removes the seeking of advice on complex tax matters from certain professionals who have knowledge of, or experience in, tax matters as a factor indicating that the taxpayer made reasonable and prudent efforts to avoid the overpayment.

Section 45 of this regulation revises the procedure by which a taxpayer may dispute a determination or decision issued or action taken by the Department and petition the Department for a redetermination by: (1) providing for an appeal to the Commission if the Executive Director of the Department denies a request to extend the deadline for filing a petition for redetermination; (2) requiring the Department to issue a notice that sets forth the results of the redetermination; and (3) authorizing the taxpayer to request a hearing before a hearing officer within a certain period after receiving the notice of the results of the redetermination.

Section 47 of this regulation repeals: (1) definitions of terms that are unnecessary because the term is defined by existing law; (2) provisions related to petitions for redetermination that are reenacted in **section 45**; (3) provisions governing contracts between the Department and a private debt collector for the collection of debt owed to the Department because such debt collection is assigned to the State Controller pursuant to NRS 353C.200; (4) obsolete provisions governing tax abatements for new or expanding businesses; and (5) provisions governing certain tax abatements for energy-efficient structures which are no longer available. **Sections 5, 10, 15-22, 24, 25, 28, 29, 43 and 44** of this regulation make conforming changes to certain terms used throughout chapter 360 of the Nevada Administrative Code to conform with a term defined for provisions of law governing taxation in Nevada Revised Statutes.

Section 1. Chapter 360 of NAC is hereby amended by adding thereto the provisions set forth as sections 2 to 4, inclusive, of this regulation.

Sec. 2. *In computing any period prescribed or allowed by the provisions of this section, NAC 360.043 to 360.200, inclusive, and section 3 of this regulation:*

1. If the period begins to run on the occurrence of an act or event, the day on which the act or event begins is excluded from the computation.

2. The last day of the period is included in the computation, except that if the last day falls on a Saturday, Sunday, legal holiday or holiday proclaimed by the Governor or on a day on which the offices of the Department are not open for the conduct of business, the period is extended to the close of business on the next business day.

Sec. 3. *1. The hearing officer may request that the parties file prehearing statements. The parties may file a joint prehearing statement. If the parties cannot agree on a joint prehearing statement, each party must file its statement by the date set by the hearing officer. The prehearing statement must be limited to a brief explanation of the issues for consideration by the hearing officer and must include, without limitation:*

(a) A statement of the unresolved issues that will be presented to the hearing officer, the nature of the specific transaction at issue, the amount in dispute and the legal issues involved in the matter.

(b) A statement of the issues that have been resolved by the parties, including, without limitation, the uncontested facts.

(c) A list of exhibits that each party expects to introduce at the hearing and any objections to those exhibits. The exhibits must be marked in advance of the hearing.

(d) A list of the witnesses that each party expects to testify at the hearing.

(e) An estimate of the time required for the hearing.

(f) A statement regarding whether the party will submit a posthearing brief.

2. A prehearing statement must be filed by the date set by the hearing officer. The hearing officer may grant an extension for filing the prehearing statement if the motion or stipulation requesting the extension is filed with the hearing officer before the date set for filing the statement. The hearing officer shall issue a written decision on the motion or stipulation requesting the extension.

3. Failure of a party to file a prehearing statement will not delay the scheduling of the hearing. The hearing officer shall provide notice of the hearing to the parties at least 10 days before the date of the hearing.

4. If a party wishes to raise an issue before or during the hearing that was not included in its prehearing statement, the hearing officer shall grant a continuance to allow the opposing party to prepare a response to the issue.

Sec. 4. *1. Except as otherwise provided in subsections 2 and 4, a taxpayer, tax preparer or other tax professional who is authorized or required to submit to the Department any return, payment, request for a waiver, application for a license, registration or permit, claim for a refund or other document relating to taxes administered by the Department shall submit such item or document by electronic means, to the extent that the Department has an online portal that accepts electronic submissions.*

2. A taxpayer, tax preparer or other tax professional may request a waiver of the requirement of electronic submission set forth in subsection 1. The Department may grant a waiver of the requirement for a period of not more than 1 year if the taxpayer, tax preparer or other tax professional establishes to the satisfaction of the Department that:

(a) The taxpayer, tax preparer or other tax professional lacks the facilities for electronic submission;

(b) Electronic submission would impose a severe economic hardship on the taxpayer, tax preparer or other tax professional; or

(c) Other good cause exists which excuses compliance with the requirement of electronic submission.

3. A taxpayer, tax preparer or other tax professional who timely submits a request for a waiver pursuant to subsection 2 may continue to submit a return, payment, request for a waiver, application for a license, registration or permit, claim for a refund or other document relating to taxes administered by the Department on paper until the Department issues a determination on the request for a waiver. A submission made pursuant to this subsection shall be deemed to comply with the requirements of subsection 1 during that period.

4. If a taxpayer, tax preparer or other tax professional is unable to submit a return, payment, request for a waiver, application for a license, registration or permit, claim for a refund or other document relating to taxes administered by the Department by electronic means due to a technical failure of the Department's online portal, the taxpayer, tax preparer or other tax professional may submit the return, payment, request for a waiver, application for a license, registration or permit, claim for a refund or other document relating to taxes administered by the Department on paper until the technical failure is resolved such that electronic submissions can be made through the online portal. A submission made pursuant to this subsection must be accompanied by an attestation of the taxpayer, tax preparer or other tax professional that electronic submission was not possible due to a technical failure of the Department's online portal.

5. For the purposes of subsection 4, a technical failure is deemed to have occurred when the Department's online portal cannot receive electronic submissions continuously or intermittently over the course of any period of time greater than ~~7~~ hours on a given day, excepting such periods resulting from scheduled maintenance of the online portal for which public notice was provided.

6. A taxpayer who fails to submit a request for a closed hearing in accordance with the provisions of this section shall be deemed to have waived his or her right to request a closed hearing.
