The following information is provided pursuant to the requirements of NRS 233B.0603:

1. Need and purpose of the proposed permanent regulations or amendments

LCB File No. R098-26, establishes requirements related to real property; revises provisions governing the manner in which owners of real property claim certain partial abatements of property tax; revises the information that may be included in the declaration of value form required to accompany a deed evidencing a transfer of title of real property or land sale installment contract that is presented for recordation to a county recorder; provides for electronic signature of the declaration of value form; and provides other matters properly relating thereto.

This proposed permanent regulation is needed and intended to modernize and streamline the process for claiming partial property tax abatements by allowing owners to submit claims for primary residential and qualified residential rental abatements directly on the declaration of value form used during real property transfers, in addition to existing assessor forms. It requires county recorders to forward such claims to county assessors, updates related regulations to align with statutory changes from A.B. 377 (2025) and authorizes electronic signatures on the declaration of value form. Overall, the proposed permanent regulation aims to simplify taxpayer filing, reduce duplicate paperwork, ensure assessors receive timely information when properties change ownership, and enhance administrative efficiency.

2. How to obtain the approved or revised text of proposed permanent regulations prepared by LCB

You may obtain a copy of the proposed permanent regulation by writing to the Nevada Department of Taxation, 3850 Arrowhead Drive, Carson City, Nevada 89706; or by calling the office at (775) 684-2041. 3. Methods used in determining the impact on a small business

The agency used informed, reasonable judgment in determining that there will not be an impact on small businesses. The Department prepared a small business impact questionnaire that was forwarded to the Department's Interested Parties List. One emailed response was received in which the respondent listed 16 employees currently employed by their business and answered "no" to all five questions on the questionnaire without further explanation or clarification, thus indicating that the proposed permanent regulation has no adverse, beneficial, direct or indirect impact on the respondent's small business.

The Department will continue to accept input on the impact of the proposed permanent regulation on small businesses through the regulatory process.

The Department held a workshop on July 9, 2026, for members of the public to state their concerns and submit correspondence regarding the proposed permanent regulation. Public comment was provided by one member of the public who acknowledged support of the proposed permanent regulation.

**PROPOSED REGULATION OF THE
NEVADA TAX COMMISSION**

LCB File No. R098-26

June 2, 2026

EXPLANATION – Matter in *italics* is new; matter in brackets ~~[omitted material]~~ is material to be omitted.

AUTHORITY: § 1, NRS 360.090, 361.4723; § 2, NRS 360.090, 361.4724; § 3, NRS 360.090, 375.060.

A REGULATION relating to real property; revising provisions governing the manner in which owners of real property claim certain partial abatements of property tax; revising the information that may be included in the declaration of value form required to accompany a deed evidencing a transfer of title of real property or land sale installment contract that is presented for recordation to a county recorder; providing for electronic signature of the declaration of value form; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for a partial abatement of the property taxes imposed on a parcel or other unit of real property, which has the effect of establishing an annual cap on increases of the property taxes imposed on the real property. The formula for calculating these partial abatements limits the annual increase of such property taxes to not more than: (1) eight percent for real property other than a single-family residence that is the primary residence of the owner or a residential rental dwelling with rent less than a certain amount; and (2) three percent for such a single-family residence or qualified residential rental dwelling. (NRS 361.4722-361.4724) Before the enactment of Assembly Bill No. 377 (A.B. 377) of the 2025 Legislative Session, to claim the partial abatement of property taxes for a single-family residence which is the primary residence of the owner, the owner of the residence was required to submit a form provided by the county assessor of the county in which the property is located. (NRS 361.4723; NAC 361.606) A claim for the partial abatement of property taxes for a qualified residential rental dwelling was required to be filed annually with the county assessor not later than June 15 and accompanied by an affidavit concerning the amount of rent charged to the tenants of the property. (NRS 361.4724; NAC 361.607) A.B. 377 additionally authorizes a person to claim these partial abatements of property taxes on the declaration of value form prescribed by the Nevada Tax Commission that is required to accompany a deed or land sale installment contract offered for recording to a county recorder and that is used to calculate the amount of real property transfer tax due upon the sale or transfer of the property. (NRS 361.4723, 361.4724, 375.060)

Section 3 of this regulation provides for the declaration of value form to include a claim for a partial abatement of property taxes for a single-family residence which is the primary

residence of the owner or for a qualified residential rental dwelling. If such a partial abatement is claimed on the form, **section 3** requires the county recorder to transmit the claim to the county assessor of the county in the manner prescribed by the Commission. **Sections 1 and 2** of this regulation make conforming changes to existing regulations to authorize a claim for these partial abatements to be made on the declaration of value form. (NAC 361.606, 361.607)

Existing regulations require the declaration of value form prescribed by the Commission to be signed under the penalty of perjury by the grantee, the grantor or the agent of the grantee or grantor and filed with the county recorder. (NAC 375.180) **Section 3** provides that an electronic signature made in accordance with existing law satisfies this requirement.

Section 1. NAC 361.606 is hereby amended to read as follows:

361.606 1. A claim for a primary residential abatement must be ~~§~~ *submitted on:*

5. A residential rental dwelling is not eligible for a residential rental abatement if the rent received for any rental unit of the property for the period from April 1 of the year immediately preceding the lien date for the current year until March 31 of the current year, excluding any

amount included in the rent for the payment of utilities, exceeds the amount of the applicable fair market rent for the current year, excluding the amount of the applicable utility allowance.

6. The owner of any property for which a claim for a residential rental abatement is filed:

(a) Has the burden of proving that the property is not transient lodging; and

(b) Must:

(1) Provide to the county assessor such information as the county assessor requires to determine the eligibility of the property for a residential rental abatement and to ascertain the continuing eligibility of the property for a residential rental abatement; and

(2) Maintain accurate records in support of that information and allow the county assessor to audit those records at any time.

7. For the purposes of this section and NRS 361.4724, the Commission interprets the term:

(a) “Residential rental dwelling” to mean a residential dwelling:

375.180 1. (1) The name and mailing address of the grantor, the grantee and the business or natural person requesting the recording if the grantor or grantee does not request the recording;

(c) May contain information regarding a claim for a partial abatement of property taxes pursuant to NRS 361.4723 or a partial abatement of property taxes pursuant to NRS 361.4724, including, without limitation, the type of partial abatement of property taxes claimed. If a claim for any such partial abatement of property taxes is contained in a declaration of value, the county recorder must transmit the claim to the county assessor of the county in the manner prescribed by the Nevada Tax Commission.

2. The county recorder shall not accept an incomplete form except:
 - (a) If the transfer of title of real property is exempt from a tax imposed by chapter 375 of NRS, no value for the property need be declared on the form.
 - (b) If multiple parcels of real property are being transferred, at least one parcel must be listed on the form. If additional space is needed to list all the parcels of real property being transferred, the words “see attached” must be written next to the listed parcel number and an attachment that lists the number of each parcel being transferred must accompany the form.
3. If the value of the property is stated incorrectly on the declaration of value or the amount of tax is computed incorrectly, the person who pays an amount of tax which exceeds the amount due may make a claim for a refund of the amount of tax which he or she overpaid by completing a refund request form, which may be obtained from the office of the county recorder of the county in which the tax is paid. The form must be signed under penalty of perjury by the person
