The following information is provided pursuant to the requirements of NRS 233B.0603:

1. Need and purpose of the proposed permanent regulations or amendments

LCB File No. R081-26, establishes requirements related to taxation; revises procedures governing proceedings before the Nevada Tax Commission; requires the electronic filing of certain returns or other documents unless otherwise waived; revises provisions governing communications with the Executive Director of the Department of Taxation; expands the methods by which certain payments are required to be made to the Department; revises provisions governing the issuance of subpoenas by a hearing officer; revises requirements for the issuance and delivery of an advisory opinion by the Executive Director; revises provisions governing the issuance of permits to collect sales and use taxes; imposes certain duties on persons who are required to file certain returns, statements, reports or other documents for certain taxes, fees, assessments, contributions or premiums; revises standards to determine whether the Department is required to pay interest to a taxpayer who overpays certain taxes; revises the procedures by which a taxpayer may dispute the findings of an audit and petition the Department for a redetermination; revises, updates and repeals various provisions which are obsolete, redundant or relate to tax abatements which are no longer available; and provides other matters properly relating thereto.

This proposed permanent regulation is intended to modernize and streamline the administration of Nevada's tax system by updating procedures, improving efficiency, and removing outdated provisions. It establishes clearer rules for proceedings before the Nevada Tax Commission, expands the use of electronic filing and payment methods, and enhances communication protocols with the Department of Taxation. The proposed permanent regulation also clarifies requirements for permits, filings, and advisory opinions, strengthens procedural tools such as subpoenas and determination dispute processes, and refines standards related to taxpayer refunds and interest on overpayments. Additionally, it eliminates obsolete, redundant, or no-longer-applicable provisions, including those related to expired tax abatements, to ensure the regulatory framework is current, consistent, and easier for taxpayers and the Department to navigate.

2. How to obtain the approved or revised text of regulations prepared by LCB

You may obtain a copy of the proposed permanent regulation by writing to the Nevada Department of Taxation, 3850 Arrowhead Drive, Carson City, Nevada 89706; or by calling the office at (775) 684-2041. The proposed permanent regulation is also available for review and download on the Nevada Department of Taxation's website at <https://tax.nv.gov/> or on the Nevada Legislature's website at <https://www.leg.state.nv.us/>.

3. Methods used in determining the impact on a small business

The agency used informed, reasonable judgment in determining that there will not be an impact on small businesses. The Department prepared a small business impact questionnaire that was forwarded to the Department's Interested Parties List. The Department received two responses from interested parties. Of the two responses received, one emailed response indicated that the proposed permanent regulation would have a direct and significant economic burden upon a small business unless the Director administers the changes fairly, justly and with common sense. The respondent acknowledged that a change in Section 22 of the proposed permanent regulation will change the current process. The respondent listed 0 employees currently employed by their small business. The other email response provided support for the proposed permanent regulation and acknowledged there is no negative impact.

The Department will continue to accept input on the impact of the proposed permanent regulation on small businesses through the regulatory process.

The Department held a workshop on April 16, 2026, for members of the public to state their concerns and submit correspondence regarding the proposed permanent regulation. Public comment was received from the Nevada Taxpayers Association during the workshop, and the Association also submitted written correspondence outlining concerns with the proposed permanent regulation language. In response, the Department provided written feedback, including revisions to the proposed permanent regulation where changes were feasible and explanations where revisions could not be made.

4. Estimated economic effect of the proposed permanent regulation on businesses and the public

a. Adverse and beneficial effects

The proposed permanent regulation does not present any reasonable, foreseeable or anticipated adverse or beneficial economic effects on small businesses or the public.

b. Immediate and Long-Term effects

The proposed permanent regulation does not present any reasonable, foreseeable or anticipated immediate or long-term economic effects on small businesses or the public.

5. Cost for enforcement of the proposed permanent regulations

The proposed permanent regulation does not present any significant, foreseeable or anticipated cost or decrease in costs for enforcement.

6. Overlap or duplication of other state or local governmental agencies

The proposed permanent regulation does not overlap or duplicate any regulation of other state or local governmental entities.

7. Regulation required by federal law

Not Applicable.

8. More stringent than federal regulations

The Department is not aware of any similar federal regulations of the same activity in which the state regulations are more stringent.

9. New or increases in existing fees

The proposed permanent regulation does not include new fees or increase an existing fee.

Persons wishing to comment on the proposed action of the Nevada Tax Commission may appear at the above scheduled public hearing or may address their comments, data, views, or arguments, in written form, to the Nevada Tax Commission, 3850 Arrowhead Drive, Carson City, Nevada 89706. Legislative Counsel's Digest:

Existing law authorizes the Nevada Tax Commission to adopt regulations for carrying on the business of the Nevada Tax Commission and the Department of Taxation. (NRS 360.090)

Section 2 of this regulation establishes the method the Commission and the Department will use to calculate any period prescribed or allowed for an action or filing in an administrative proceeding of the Commission or Department for the purpose of determining whether the action or filing occurs by the prescribed deadline.

Existing regulations authorize the hearing officer in certain administrative proceedings conducted by the Department to request a prehearing statement to explain the issues for consideration by the hearing officer and set forth the requirements for such a prehearing statement. (NAC 360.706) **Section 3** of this regulation applies the procedures for prehearing statements to all administrative proceedings of the Department and Commission.

Section 5 of this regulation makes **sections 2 and 3** apply to administrative proceedings of the Commission or Department in the same manner as other regulations governing such proceedings.

Existing regulations establish certain requirements for communications with the Executive Director of the Department. (NAC 360.045) **Section 6** of this regulation eliminates provisions governing informal communications and other communications. **Section 6** also: (1) authorizes all pleadings to be sent by United States mail or by electronic means; and (2) provides that such pleadings are deemed to be filed with the Department when a true copy of the paper or document, properly addressed and stamped, is deposited in the United States mail or sent by electronic means. **Section 23** of this regulation eliminates a requirement to include in certain appeals filed with ~~to~~ the Department ~~Commission~~ information that **section 6** no longer requires to be included in communications to the Commission.

Section 8 of this regulation eliminates existing requirements for: (1) a hearing calendar to be maintained by the Executive Director; (2) current assignments for hearings to be made from the calendar; and (3) a current copy of the hearing calendar to be posted at all offices of the Department. (NAC 360.055) Instead, **section 8**: (1) provides that notices of the meetings of the Commission will be given to the public by posting a notice and an agenda in accordance with the Open Meeting Law (chapter 241 of NRS); and (2) specifies the locations at which meeting notices and agendas will be posted in accordance with the Open Meeting Law, including, without limitation, on the Internet website of the Department and at the Carson City, Reno and Las Vegas offices of the Department at least 3 business working days before the meeting.

Existing regulations set forth certain requirements relating to transcripts of any hearings held before the Commission or a hearing officer. (NAC 360.058) **Section 9** of this regulation requires a court reporter who transcribes a hearing held before the Commission or a hearing officer to be certified pursuant to provisions of existing law governing certified court reporters. (chapter 656 of NRS)

Section 10 of this regulation eliminates the prohibition of smoking during all meetings of the Commission and hearings before a hearing officer, a provision made redundant by the Nevada Clean Indoor Air Act. (NRS 202.2483)

Existing regulations provide that hearings will be held at the offices of the Department in Carson City, Nevada, or at such other place in the State as may be designated in the notice of hearing. (NAC 360.095) **Section 11** of this regulation eliminates the reference to Carson City and, instead, provides that hearings will be held at the offices of the Department or at such other place in the State as may be designated in the notice of hearing.

Existing law authorizes the Department to issue subpoenas for witnesses to appear and testify on any subject material to its responsibilities or for the production of books and papers. (NRS 360.240) **Section 12** of this regulation revises provisions governing the issuance of subpoenas to specifically authorize a hearing officer to order the production of certain records if such records are located in this State.

Existing law requires certain state agencies to provide by regulation for the filing and prompt disposition of petitions for advisory opinions as to the applicability of any statutory provision, agency regulation or decision of the agency. (NRS 233B.120) Existing regulations require an advisory opinion to: (1) be issued by the Executive Director within 45 days after the filing of the petition therefor unless the Executive Director in writing orders an extension of time up to a maximum of 60 days after filing; and (2) be delivered to the petitioner in person or by certified mail. (NAC 360.200) **Section 13** of this regulation: (1) extends the time for the

Executive Director to issue an advisory opinion to not later than 60 days after the filing of the petition; (2) increases the period of time of an extension of time for the issuance of an advisory opinion to not more than an additional 60 days; and (3) authorizes the delivery of an advisory opinion to the petitioner by electronic means if the petitioner has agreed in writing to accept delivery of the advisory opinion by electronic means.

Existing law requires a person conducting business in this State as a seller of tangible personal property to register with, or obtain a permit from, the Department of Taxation to collect sales and use tax in this State. (NRS 360.5971) Senate Bill No. 441 (S.B. 441) of the 2021 Session of the Nevada Legislature consolidated into one provision multiple provisions of law governing such registrations and permits. (Chapter 342, Statutes of Nevada 2021, at page 2007) **Sections 14** of this regulation updates a reference to those provisions of law in an existing regulation that requires the application of an unemancipated **minor** ~~manner~~ for a permit from the Department to include a statement from the parent or legal guardian of the minor acknowledging the responsibility of the parent or legal guardian to report and remit sales and use taxes to the Department if the minor fails to do so.

Existing law requires the Nevada Tax Commission to adopt regulations providing for the electronic submission of returns to the Department and the payment of taxes, fees, interest and penalties to the Department through the use of credit cards, debit cards and electronic transfers of money. (NRS 360.092) Existing regulations establish the procedures and requirements for the electronic submission of a tax return to the Department and the electronic transfer of money for the payment of taxes, fees, interest and penalties to the Department. (NRS 360.550-360.598) **Section 4** of this regulation: (1) requires a taxpayer or a tax preparer or other tax professional to file tax returns and certain other documents by electronic means, to the extent that the Department has a system for filing documents that accepts electronic filing of those returns and documents; and (2) authorizes a taxpayer or a tax preparer or other tax professional to request a waiver of the requirement to electronically file such a return or other document upon establishing certain facts to the satisfaction of the Department. **Sections 17 and 18** of this regulation make the provisions of existing regulations governing the electronic submission of tax returns and the electronic transfer of money to the Department apply to the tax returns and documents required by **section 4** to be filed electronically with the Department. **Section 7** of this regulation adds electronic funds transfers, credit cards and debit cards to the methods by which fees and remittances are authorized to be paid to the Department. (NAC 360.050) **Section 19** of this regulation revises provisions setting forth the requirements to complete online Nevada Business Registration to conform to the online tax system of the Department. **Sections 20 and 21** of this regulation add credit cards as a method by which an electronic transfer of money may be made to pay taxes, fees, interest and penalties to the Department. (NAC 360.594, 360.596)

Existing regulations impose certain duties on a person who is required to file a return pursuant to provisions of law governing sales and use taxes and who fails to do so within the time prescribed by specific statute, regulation or rule, or who files an incorrect, false or fraudulent return. (NAC 360.435) **Section 15** of this regulation imposes the same duties on a person who is required to file a return, statement, report or other document for other taxes, fees, assessments, contributions and premiums required to be collected by the Department.

Existing law requires interest to be paid to a taxpayer who receives a refund of an overpayment of certain taxes unless the Department determines that the overpayment was made intentionally or by reason of carelessness. (NRS 360.2935, 360.2937, 363A.170, 363B.160, 363C.620, 368A.270, 372.665, 372A.320, 372B.200, 374.670) Existing regulations establish the

standards to be used by the Department in determining whether an overpayment of such taxes was made intentionally or by reason of carelessness. (NAC 360.485) **Section 16** of this regulation revises the standards to determine whether an overpayment was made by reason of carelessness. Specifically, **section 16** removes the seeking of advice on complex tax matters from certain professionals who have knowledge of, or experience in, tax matters as a factor indicating that the taxpayer made reasonable and prudent efforts to avoid the overpayment.

Section 22 of this regulation revises the procedure by which a taxpayer may dispute the findings of an audit and petition the Department for a redetermination by: (1) providing for an appeal to the Commission if the **Executive** Director of the Department denies a request to extend the deadline for filing a petition for redetermination; (2) requiring the Department to issue a notice that sets forth the results of the redetermination; and (3) authorizing the taxpayer to request a hearing before a hearing officer within a certain period after receiving the notice of the results of the redetermination.

Section 24 of this regulation repeals: (1) definitions of terms that are unnecessary because the term is defined by existing law; (2) provisions related to petitions for redetermination that are reenacted in **section 22**; (3) provisions governing contracts between the Department and a private debt collector for the collection of debt owed to the Department because such debt collection is assigned to the State Controller pursuant to NRS 353C.200; (4) obsolete provisions governing tax abatements for new or expanding business; and (6) provisions governing tax abatements for certain energy-efficient structures which have expired pursuant to subsection 5 of section 15 of chapter 539, Statutes of Nevada 2007, at page 3387.
